## Garth Brooks, If Tomorrow Never Comes

Sometimes late at night I lie awake and watch her sleeping She's lost in peaceful dreams So I turn out the lights and lay there in the dark And the thought crosses my mind If I never wake up in the morning Would she ever doubt the way I feel About her in my heart

If tomorrow never comes Will she know how much I loved her Did I try in every way to show her every day That she's my only one And if my time on earth were through And she must face the world without me Is the love I gave her in the past Gonna be enough to last If tomorrow never comes

'Cause I've lost loved ones in my life Who never knew how much I loved them Now I live with the regret That my true feelings for them never were revealed So I made a promise to myself To say each day how much she means to me And avoid that circumstance Where there's no second chance to tell her how I feel

If tomorrow never comes Will she know how much I loved her Did I try in every way to show her every day That she's my only one And if my time on earth were through And she must face the world without me Is the love I gave her in the past Gonna be enough to last If tomorrow never comes

So tell that someone that you love Just what you're thinking of If tomorrow never comes
