

Garth Brooks, It's Midnight Cinderella

It's midnight Cinderella
But don't you worry none
Cuz I'm Peter Peter the pumpkin eater
And the party's just begun

I guess your Prince Charming
Wasn't after all
Cuz he sure seemed different
Right after the ball
I guess more than the horses
Are turning into rats
And by the way he's walking
I can guess were your slipper's at

It's midnight Cinderella
Time that you should know
There's going to be some changes
In the way this story goes
It's midnight Cinderella
But don't you worry none
Cuz I'm Peter Peter the pumpkin eater
And the party's just begun

I'm gonna help you get over
Being under that spell
You're going to learn to love midnight
Inside this pumpkin shell
I got a few little magic tricks
That your godmother can't do
And I'll show you what it means
To bip-bip-bip-bopidy-boo

It's midnight Cinderella
Time that you should know
There's going to be some changes
In the way this story goes
It's midnight Cinderella
But don't you worry none
Cuz I'm Peter Peter the pumpkin eater
And the party's just begun

Yes I'm Peter Peter the pumpkin eater
And the party has now begun
