

# Garth Brooks, Squeeze Me In

"featuring Trisha Yearwood"

Honey I know you got a good job,  
Out there making all that dough,  
They keep you late working that overtime,  
And I don't ever see you no more.

I guess you're not checking your message machine,  
Seems like you're never in,  
Oh but I got a hunch if we could just do lunch,  
I could get your attention again,

Oh I know you got your schedule,  
And you're keeping it tight,  
You got something going morning, noon, and night,  
But I got something here I think you're gonna like,  
Honey can you squeeze me in?

Well, who ever said it's a man's world,  
Don't know what he's talkin about,  
You got me working around the clock,  
Honey trying to figure you out.

I know time is money,  
But there's more to life honey  
Than how much you can spend,  
You gotta make a little time for the good times,  
Honey can you squeeze me in?

I got it circled in red,  
On the calendar baby,  
Told me that tonight's the night,  
I got the champagne chilled,  
Got a gourmet meal,  
Soft music and candlelight.

I tried to get you on the phone,  
I get stuck on hold,  
I guess you keep getting sidetracked.  
I've been faxing you love notes all day long,  
But you don't ever fax me back.

Well, I know you got your schedule and you're keeping it tight,  
You got something going morning, noon, and night,  
But I got something I know you're gonna like,  
Honey can you squeeze me in?

Well, who ever said its a man's world,  
Sure knows what he's takin about,  
You got me working around the clock,  
Honey trying to figure you out.

I know time is money,  
But there's more to life honey  
Then how much you can spend,  
You gotta make a little time for the good times,  
Honey can you squeeze me in?

Well, who ever said its a man's world,  
Sure knows what he's talkin about,  
You got me where getting around the clock,  
Trying to figure you out.

I know time is money,

But there's more to life honey  
Then how much you can spend,  
You gotta make a little time for the good times,  
Honey can u squeeze me in?

Lets make a little time for the good times,  
**HONEY CAN YOU SQUEEZE ME IN!!!**
