

# Garth Brooks, Two Pina Colladas

I was feelin' the blues,  
I was watchin' the news  
When this fella came on the tv  
He said that I'm tellin' you,  
That science has proven  
That heartaches are healed by the sea  
And that got me goin' without even knowin'  
And I packed right up and drove down  
Now I'm on a role, and I sear to my sole  
Tonight I'm gonna paint this town

(chorus)  
So bring me two pina colladas  
I want one for each hand  
Let's set sail with captain morgan  
And never leave dry land  
Any troubles I've forgotten  
I've buried them in the sand.  
So bring me two pina colladas  
She said goodbye to her good timing man.

Now I've got to saying, that the wind and the waves  
And the moon winkin' down at me  
Eases my mind, by leaving behind

The heartaches that love often brings  
Now I've got a smile, that goes on for miles  
With no inclination to roam  
Now I've gotta say, that I thank God I stayed  
Cause it's feeling more and more like home

(chorus)  
So bring me two pina colladas  
I gotta have one for each hand  
Let's set sail with captain morgan  
And never leave dry land  
Any troubles I've forgotten  
I've buried them in the sand.  
So bring me two pina colladas  
She said goodbye to her good timing man.

So bring me bring me bring me two pina colladas  
I gotta have one for each hand  
Let's set sail with captain morgan  
And never leave dry land  
Any troubles I've forgotten  
I've buried them in the sand.  
So bring me two pina colladas  
She said goodbye to her good timing man
