

Garth Brooks, Wrapped Up In You

How do I love you
Well let me see
I love you like a lyric loves a melody
baby, completely wrapped up in you.

How do I need you
Well can't you tell
I need you like a penny needs a wishing well
baby, completely wrapped up in you.

Every now and then
When the world that we're livin in's crazy
You gladly hold me and carry me through
No one in the world's ever done what you did for me
And I'd be sad and lonely if there were no you

How do I love you
Well count the ways
There ain't no number high enough to end this phrase
baby, completely wrapped up in you.

bah bah bah ba ba ba bahhh
bahh ba ba ba ba bahhh
bah bah bah ba ba ba bahhh
bahh ba ba ba ba bahhh

Every now and then
When the world that were livin in's crazy
You gladly hold me and carry me through
No one in the world's ever done what you do for me
And I'd be sad and lonely if there were no you

How do I love you (baby don't you know?)
Well don't you know
I love you bout as deep as any love can grow
baby, completely wrapped up in you.
baby, completely wrapped up in you.
