

Gary Allan, Used Heart For Sale

(Gary Allan/Jake Kelly)

Chorus

Used heart for sale
Scatched and dented but it runs real well
Like you a lot so I'll cut you a deal
Used heart for sale

First owner Peggy treated it rough
She took it over some rough roads
She skipped town when it broke down
She never paid off what she owed

Cindy picked up where Peggy left off
Whoa, how she made it shine
Soon after then some mutual friend
Robbed Miss Cindy blind

Took about every cent I had
To get it out of the hock
I spent the last month fixin it up
Now its rollin' off the blocks
