

# Gary Allan, Yesterday's Rain

Sometimes I Think About The Touch Of Your Skin  
Taste Of Your Lips And It All Comes Rushing Back Again  
I Start To Spin  
I Think About You When The Skies Turn Grey  
Always Reminds Me Of The Love We Made  
Back When You Were Here  
Here Come The Tears

Of Yesterday's Rain  
Yesterday's Rain  
Well It's Better To Have Loved And Lost Than Not At All  
But I Still Love To Feel It Fall  
Yesterday's Rain  
It's Just Yesterday's Rain

I've Been Told I Shouldn't Stand In Your Rain  
That's The Only Place I See Your Face  
I Can See Your Face  
It Took Some Time To Heal But I've Moved On

I Still Go Back In Time And Stand In Your Storms  
Familiar Ones  
Always Feels Like Home

In Yesterday's Rain  
Yesterday's Rain  
Well It's Better To Have Loved And Lost Than Not At All  
But I Still Love To Feel It Fall  
Yesterday's Rain  
It's Just Yesterday's Rain

Let Your Memories Soak Me To The Bone  
Reminds Me That I'm Not Alone  
In Yesterday's Rain  
It's Just Yesterday's Rain  
Aww It's Just Yesterday's Rain  
I Think I'll Walk  
In Yesterday's Rain
