

Gary Barlow, Hard To Handle

Hey babe here I am
I'm a man on the scene
I can give you what you want
But you got to come home with me
I have got some good old love
And I got some more in store
When I get through throwing it on you
You better come and run back for more

Why don't you come along and down by the dozen
Me ain't nothing but drugstore loving
Pretty little thing let me light your candle
Cause mama I'm sure to handle now is around

Action speak louder than words
And I'm a man with experience

I know you've got another man
But I can love you better than him
Take my hand don't be afraid
While I prove every word I say
I'm advertising love for free
So won't you can place your ad with me

Babe here I am
I'm a man on your scene
I can give you what you want
But you got to come home with me
I've got some good old love
And I got some more in store
When I get through throwing it on you
You better come along and run back for more
