

# Gary Barlow, Lie To Me

mmmmm  
mmmmm,

So, if this is the last time,  
we will be standing wall to wall,  
we're right to surrender,  
soon we can walk through different doors,  
we've a million reasons,  
just to be apart,  
'till the morning comes,  
and before the emptiness starts,  
will you just,

Lie to me,  
whisper the words that you don't mean,  
share with me the love, that you'll never feel,  
baby lie to me,  
show me the way we'll never be,  
and the tenderness that I'll never see,  
baby lie to me,

mmmm,  
yeah e heh eh,

I, know what you're thinking,  
but I don't believe we could go on,  
and I know the feeling,  
the feeling inside when love has gone,  
now the times upon us,  
only pain can win,  
baby one last time before the loneliness begins,  
will you just,

Lie to me,  
whisper the words that you don't mean,  
share with the love that you'll never feel,  
baby lie to me,  
show me the way we'll never be,  
and the tenderness that I'll never see,  
baby lie to me,  
ooh ooh hoo  
oh  
ooh hoo  
mmmmmmm,

we have a million reasons,  
just to be apart,  
till the morning comes,  
and before the emptiness starts,  
will you just,

(lie to me)  
oh to me  
whisper the words that you don't mean  
(share with me the love that you'll never feel)  
no you'll never feel baby lie to me  
just lie to me,  
(show me the way we'll never be)  
never be, ooh ooh hoo  
baby lie to me,  
ee ee ee,  
(and the tenderness that I'll never see)  
baby, bay lie to me,  
oh hoa oh oh, oh hoa ohoh,

whoa oh hoa, whoa whoa oh,  
Lie-i-i-i oh hoa whoa yeah,  
baby, baby lie to me,  
just lie to me,  
(share with me the love that you'll never feel)  
baby lie to me.....
