

# Gary Brooker, The Long Goodbye

(Brooker / Fisher / Reid)

I know I've done my best  
But that's no consolation  
I s'pose I should have guessed  
When I saw the invitation  
you told me love was blind  
But you were only joking  
I know you've changed your mind  
But I still keep on hoping.

Head held high  
Eyes on the sky  
I know I've got to be strong  
If I see you again  
it will be as a friend  
With time for a long goodbye

You know I felt so bad  
When I left you at the station  
It was the first time I  
Had felt such desolation  
It's been a long, log time  
And I still can't forget you  
But my friends all say  
That maybe I don't want to.

Head held high  
Eyes on the sky  
I know I've got to be strong  
If I see you again  
it will be as a friend  
With time for a long goodbye
