

# Gary Jules, Another Day, Another Dollar

Another day, another dollar  
That's what I'm working for today  
Another day, another dollar  
Sure can't buy my blues away

I'm just trying to make a living  
Working jobs that I enjoy  
But it ain't easy finding something  
For this lonesome-hearted boy

Another day, another dollar  
That's what I'm working for today  
Another day, another dollar  
Sure can't buy my blues away

You know my life is like a highway

Just too many roads to take  
You know I'll try to take the right one  
Just gets harder every day

Another day, another dollar  
That's what I'm working for today  
Another day, another dollar  
Sure can't buy my blues away

Another day, another dollar  
That's what I'm working for today, hey  
Another day, another dollar  
Sure can't buy my blues away

Another day, another dollar  
Sure can't buy my blues away
