## Gary Jules, Dtla

Trapped a dragon west of Chinatown for fire-eaters up in Hollywood My little sister took a picture of God and floated away RIDE - downtown Los Angeles RIDE - downtown Los Angeles When your hands are broken When your words are slipping Put your arms around him And go ... down

Hide your money in the other hand (Observations of a regular)

Towers floating on a seat of ghosts... It's always the same, I told you RIDE - downtown Los Angeles RIDE - downtown Los Angeles
