

Gary Jules, Falling Awake

Eagle in the dark
Feathers in the pages.
Monkeys in my heart
Are rattling their cages.

Found a way to blue
And another ghost to follow
Said it's only up to you
And that's the hardest pill to swallow.

Mmmmmhmmmmhmmmm

You never get to choose
You live on what they sent you
And you know they're gonna use
The things you love against you

One foot in the grave
One foot in the shower
There's never time to save
You're paying by the hour

And that's just the way it goes
Falling awake
And that's just the way it goes

Slipping through the bars
Aware of the danger
Of riding in the cars
Taking candy from strangers

And it's never out of hand
Never out of pocket
I'm supersonic man
Do you wanna buy a rocket?

And that's just the way it goes
Falling awake, falling awake
Oh and that's just the way it goes
Falling awake, falling awake

Eagle in the dark
Feathers in the pages
Monkeys in my heart
Are rattling their cages
I could learn to play the game
Learn to run the hustle
If I only had the brains
The money or the muscle
