

Gary Jules, Wasted Days

What have I done wrong that I should be sorry?
You broke my heart, you're laughing, no hurry
What I'm sorry for, is all those wasted days, all those wasted ways
that I loved you

Well didn't I do that, makes you want to leave me?
My life was so full, now it seems to empty
What I didn't do, was love you every night
Like I wanted to be a lie if I couldn't love you

break

Well I'll find another before this night's over
She may not be you, I might not be sober
But I'll make love with her, tell me more that lies
Thinking all the while, how I could love you

Now what have I done wrong that I should be sorry? (4x)
