

# Gary Low, I Want You

Do you believe that I'm a different man  
babe

And you believe that I'm hard to get  
but  
I don't need too much  
I am an easy man to catch.  
I don't look just for your eyes  
babe

I don't look just for your lips  
doll

But I got my prize  
you don't have to be a surprise.  
Well  
what shall we do tonight? What's gonna happen right?  
The big romance  
well  
my chance  
you got the most I won't get lost.  
I want you 'cos you make me feel good

I want you 'cos you make me real.  
I want you 'cos you make me feel good

I want you 'cos you make me real.  
I know you have so many guys who want you.  
I know you have to choose the one that's right.  
Girl  
I know it's hard so tell me I'm the winning guy.  
I don't look just for your lips  
babe

I don't look just for your touch  
doll

But I got my prize  
you don't have to be a surprise.  
Well  
what shall we do tonight? What's gonna happen right? . . .  
I want you 'cos you make me feel good  
. . .
