Gary Moore, Can't Help Myself

(Gary Moore)

In this world of make believe
I will try to find a way
It's so easy to deceive
What you do or what you say

I would never try to ever break your heart
Even through it seems I tear your soul apart
I would never try to hurt you
Never leave you or desert you
Try to understand
I just can't help myself

In this world of make believe
I will try to find a way
It's so easy to deceive
What you do and what you say

I would never try to ever break your heart
Even through it seems I tear your soul apart
I would never try to hurt you
Never leave you or desert you
Try to understand
I just can't help myself

I just can't help myself

In this world of make believe
I will try to find a way
It's so easy to deceive
With what you do and what you say
