

Gary Moore, Cold Wind Blows

Sun don't shine round here no more
Since my baby walked on out that door
She broke my heart , make no mistake
All i did was give
All she did was take
But don't you know , where she goes
The cold wind blows

Well my baby told so many lies
I couldn't see through my blinded eyes
She choked me up with her bad , bad seed
Took the flowers i gave her and strangled them with weeds
But don't you know, where she goes
The cold wind blows

I ain't gonna cry no more
I ain't gonna cry no more
I ain't gonna cry no more
Cry no more

Sun don't shine round here no more
Since my baby walked on out that door
She broke my heart , make no mistake
All i did was give
All she did was take
But don't you know , where she goes
The cold wind blows
The cold wind blows

I ain't gonna cry no more
I ain't gonna cry no more
I ain't gonna cry no more
I ain't gonna cry no more
Cry no more
Cry no more
Yeah , cry no more
Yeah , cry no more
