Gary Moore, Cold Wind Blows

Sun don't shine round here no more Since my baby walked on out that door She broke my heart, make no mistake All i did was give All she did was take But don't you know, where she goes The cold wind blows

Well my baby told so many lies
I couldn't see through my blinded eyes
She choked me up with her bad , bad seed
Took the flowers i gave her and strangled them with weeds
But don't you know, where she goes
The cold wind blows

I ain`t gonna cry no more I ain`t gonna cry no more I ain`t gonna cry no more Cry no more

Sun don't shine round here no more Since my baby walked on out that door She broke my heart, make no mistake All i did was give All she did was take But don't you know, where she goes The cold wind blows The cold wind blows

I ain`t gonna cry no more Cry no more Cry no more Yeah , cry no more Yeah , cry no more
