

# Gary Moore, Devil In Her Heart

(Gary Moore)

Well, it's been said  
That she's got a certain fascination.  
But she's a one-way ticket  
To a final destination.

She's comin' out to get you  
With a love that will tear you apart.  
She's comin' out to get you.  
Well, you better watch out.

She's got the devil in her heart.  
She's got the devil in her heart.  
She's got the devil in her heart.  
She's got the devil in her heart.

Well you can find yourself with her  
In a sticky situation.  
But she'd stab you in the back  
Without a moment's hesitation.

She's comin' out to get you  
With a fear that will grip you inside.  
She's comin' out to get you.  
She could drive you to suicide.

She's got the devil in her heart.  
She's got the devil in her heart.  
She's got the devil in her heart.  
She's got the devil in her heart.

She's comin' out to get you  
With a love that will tear you apart.  
She's comin' out to get you.  
Well, you better watch out.

She's got the devil in her heart.  
She's got the devil in her heart.  
She's got the devil in her heart.  
She's got the devil in her heart.

She's got the devil in her heart.  
She's got the devil in her heart.  
She's got the devil in her heart.

She's got the devil in her heart.  
She's got the devil in her heart.  
She's got the devil in her heart.  
Ah.
