

# Gary Moore, Go On Home

(Gary Moore)

Did you crawl out from the ashes  
Just to see that holy light  
Did the devil make you do it  
Did he teach you wrong from right

Why don't you go on home  
Why don't you go on home  
Why don't you go on home  
Why don't you go on home

Gonna say it again  
Repeat

Did you crawl out from the ashes  
Just to see that holy light  
And did the devil make you do it  
Was your freedom justified

Why don't you go on home  
Why don't you go on home  
Why don't you go on home  
Why don't you go on home

Gonna say it again  
Repeat

Did you crawl out from the ashes  
Just to see that holy light  
Did that old devil make you do it  
Was your freedom justified

Why don't you go on home  
Why don't you go on home  
Why don't you go on home  
Why don't you go on home  
Go On Home

Did you crawl out from the ashes  
Just to see that holy light  
And did the devil make you do it  
Was your freedom justified

Why don't you go on home  
Why don't you go on home  
Why don't you go on home  
Why don't you go on home

Why don't you go on home  
Why don't you go on home  
Why don't you go on home  
Why don't you go on home

Gonna say it again  
Repeat

Why don't you go on home  
Why don't you go on home  
Why don't you go on  
Why don't you go on  
Why don't you  
Repeat
