

Gary Moore, I Can't Wait Until Tomorrow

I've been searchin' for something I might never find.
I've been looking for something I have left behind.
I've been searching every day in the rising sun.
I've been trying to find my way till the day is done.
I've been searching.

I've been reaching for something I might never touch.
And I've been dreaming of something that I want so much.
I've been counting all the tears in the falling rain.
I've been trying to hide my fears, but it's all the same.
And I don't know if I'll ever pass this way again.

I can't wait until tomorrow.
It's something I might never see.
I can't wait until tomorrow
For tomorrow never waits for me.
Tomorrow never waits for me.

I can't wait until tomorrow.
It's something I might never see.
I can't wait until tomorrow
For tomorrow never waits for me.
Tomorrow just won't wait for me.
Tomorrow never waits for me.

I've been searchin' for something I might never find.
And I've been looking for something I have left behind.
I've been counting all the tears in the falling rain.
I've been hiding all my fears, but it's all the same.
And I don't know if I'll ever pass this way again.

I can't wait until tomorrow.
It's somethin' I might never see.
I can't wait until tomorrow
For tomorrow never waits for me.

I can't wait until tomorrow.
It's not the place I wanna be.
I can't wait until tomorrow
For tomorrow just won't wait for me.
