

Gary Moore, Just Can't Let You Go

(Gary Moore)

I want you back again.
I need your love again.
I just can't let you go.
I just can't let you go.

My love has been strong before.
My words have been wrong before.
I just can't let you go.
I just can't let you go, my love.

Do you still remember
The way it used to be?
Do you still remember
When it was you and me?
I would do anything
Not to see you walk away.
Get right down on my knees
And beg you to stay.

Ooh, ooh.

I want you back again.
I need your love again.
I just can't let you go.
I just can't let you go.
