

# Gary Moore, Just Can't Let You Go

(Gary Moore)

I want you back again.  
I need your love again.  
I just can't let you go.  
I just can't let you go.

My love has been strong before.  
My words have been wrong before.  
I just can't let you go.  
I just can't let you go, my love.

Do you still remember  
The way it used to be?  
Do you still remember  
When it was you and me?  
I would do anything  
Not to see you walk away.  
Get right down on my knees  
And beg you to stay.

Ooh, ooh.

I want you back again.  
I need your love again.  
I just can't let you go.  
I just can't let you go.
