

Gary Morris, Trey And Em

Trey and Em,
together forever,
seeing how this changes,
through weather,

Only hugs,
no kisses,
he'll be the one,
regreting who she is,

Trey and Em,
Love Birds at all times,
he'll call her his,
and she'll call him "mine";

He'll be with her,
over and out,
they won't fight,
they'll never shout,

Together forever,
is what they'll be,
we know they're right,
can't they see...
