

# Gary Numan, Boys Like Me

Listen Zara  
Boys like me  
We get used to  
Things like you

Boys like me  
We don't understand  
Lies like yours

Listen Zara  
Boys like me  
From rags to riches  
Bleed for you

Boys like me  
Regret things sometimes  
Things like you

Listen Zara  
Boys like me  
We are short stories  
Shapes for you

Boys like me  
We live in dreams  
But they'ew yours not ours.
