

Gary Numan, This Is Emotion

This is
This is emotion calling
Inside
You don't know me
One game
A miracle of invention
You lose
These rules are mine

Dirty pictures
You're in the movies
Move in
Move out
I'm in slow motion

One love
One tear
One night
Of fear
One game
You lose
This is
Emotion

Look left
There's nothing over there but vengeance
Look right
There's nothing over there but greed
Look up
There's nothing up there but rumours
Look down
There's nothing down there but me

One love
I don't want to talk about it
One love
One pain
I don't want to talk about it
One pain
One more
Another night to remember
One more
Another name to forget
One more
Another young heart to play with
One more
Another young heart to break

We've got to get out
We must get out of here
We've got to get out
We've got to get away

I'm listening to stories
Of love and affection
That I don't believe
I'm listening to liars
With pretty young faces
And eyes that deceive
