

# Gary Numan, Unknown And Hostile

Can you feel it?  
This killing obsession  
You know we're coming, you know we're coming  
Can you feel it?  
We're the exhibition  
Unknown and hostile we breathe for you  
Can you feel it?  
We're the new obsession  
Can you feel it?  
We're the new disease.

You won't like it  
Images of lovers  
I don't need it, I don't need it  
You won't like it  
We believe in nothing  
I don't remember did God retire?  
You won't like it  
We're the new religion  
You won't like it  
We're the new disease.

Can you feel it?  
Can you feel it?

You won't like it  
We're the new religion  
You won't like it  
We're the new disease  
You won't like it  
We're the new obsession  
You won't like it  
We're the new disease.
