

# Gary Numan, Wonder Eye

And sometimes,  
When I'm lonely,  
I think of you  
And I wonder

And sometimes,  
When someone  
Calls your name,  
I wonder

You changed my life  
And you could have changed my world  
And I  
Miss your voice and  
I miss your heartbeat  
I miss your face and  
I miss you

And sometimes  
When I'm sleeping,  
I dream of you  
And I wonder

And sometimes  
When I forget,  
I call for you  
And I wonder

You said 'goodbye'  
Said 'It's over'  
You said 'I'm tired  
I can't wait  
All my life  
I won't cry  
Anymore'

And sometimes when  
I wonder  
I cry for you  
And I miss you

And sometimes I  
Remember  
How to feel again  
And I miss you
