

# Gary Stewart, Your Place Or Mine

The band just stopped playing  
They're sweeping the floor  
The bartender's asking,  
"Who wants one more?"

And your head's on my shoulder  
And lord, I'm feeling fine!  
Where are we going, honey?  
Your place or mine?

Your place or mine  
I really don't care  
It doesn't matter...  
As long as we're somewhere

Now we both know I'll stay here  
Right up 'til closing time..  
Where are we going?  
Your place or mine?

Now we both came here again  
For someone to touch

A'living alone  
Is sometimes a'too much ...

Now, honey, I'm not pretending  
A'here's my bottom line..  
Where are we going?  
Your place or mine?

Your place or mine  
I really don't care  
It doesn't matter..  
As long as we're somewhere

Aww, honey I'm not pretending  
Here's my bottom line!  
Where are we going?  
Your place or mine?

Where are we going?  
Your place or mine?
