## Gary Valenciano, Reachin' Out

I. What must I do to make you understand? You mean everything to me Don't have the strength to say Give this heart of mine a chance And maybe then you will see

REFRAIN 1: And I'll do anything, do anything that you tell me And I'll be there, I'll be there if you need me

CHORUS 1: Reachin' out to you Do you feel it too? Loving you is all I wanna do I'm completely sure I've never felt this way before When I smile you know that there is something more

П.

What must I do so I can make you see? The light that shines in my eyes You brighten up my day You even help me find my way I wish you're always by my side

REFRAIN 2 : And I can't stop, don't know how to stop thinkin' of you And I'll do anything, do anything to be near, near you

CHORUS 2: Reachin' out to you Do you feel it too? Loving you is all I wanna do I'm completely sure I've never felt this way before Deep inside you know that there is something more

**REPEAT CHORUS 2** 

Deep inside you know that there is something more
