

Gary Valenciano, Warrior Is A Child

Lately I've been winning battles left to right
But even winners can get wounded in the fight
People say that I'm amazing
I'm strong beyond my years
But they don't see inside of me
I'm hiding all the tears

[CHORUS]

They don't know
That I come running home when I fall down
They don't know
Who picks me up when no one is around
I drop my sword and cry for just a while
Cuz deep inside this armor
The warrior is a child

Unafraid because his armor is the best
But even soldiers need a quiet place to rest
People say that I'm amazing
I never face retreat
But they don't see the enemies
That lay me at his feet

[CHORUS]

They don't know
That I come running home when I fall down
They don't know
Who picks me up when no one is around
I drop my sword and cry for just a while
Cuz deep inside this armor
The warrior is a child

They don't know
That I come running home when I fall down
They don't know
Who picks me up when no one is around
I drop my sword and look up for a smile
Cuz deep inside this armor (deep inside)
Deep inside this armor
Deep inside this armor
The warrior is a child (chorus)
