

# Gate 9, Mantra Of Doom

[Soundclip of LeVay performing a Black Mass]

Last night Kali came to my room,  
She had with her a message,  
She brought the mantra  
mantra.... mantra..... mantra....  
...of doom.  
...as the moon raises over the hills  
I feel a blessing and a sudden chill,  
I guess it's over now, time to let it go,  
Yeah, its time to set free.....  
...mantra..... mantra .....mantra ....mantra  
of Doom.

[soundclip some asshole jankin' on bout satanism]
