

# Gatsbys American Dream, Just Like Heaven

[Originally by The Cure]

Show me, show me, show me how you do that trick  
The one that makes me scream she said  
The one that makes me laugh she said  
And threw her arms around my neck  
Show me how you do it  
And I promise you, promise that  
Ill run away with you  
Ill run away with you

Spinning on that dizzy edge  
I kissed her face and kissed her head  
And dreamed of all the different ways I had  
To make her glow  
Why are you so far away? she said  
Why wont you ever know that Im in love with you  
Oh Im in love with you

You  
Soft and only  
You  
Lost and lonely  
You  
Strange as angels  
Dancing in the deepest oceans  
Twisting in the water  
Youre just like a dream

Daylight licked me into shape  
I must have been asleep for days  
And moving lips to breathe her name  
I opened up my eyes  
And found myself alone alone  
Alone above a raging sea  
That stole the only girl I loved  
And drowned her deep inside of me

You  
Soft and only  
You  
Lost and lonely  
You  
Just like heaven
