

Gatsbys American Dream, Just Like Heaven

[Originally by The Cure]

Show me, show me, show me how you do that trick
The one that makes me scream she said
The one that makes me laugh she said
And threw her arms around my neck
Show me how you do it
And I promise you, promise that
Ill run away with you
Ill run away with you

Spinning on that dizzy edge
I kissed her face and kissed her head
And dreamed of all the different ways I had
To make her glow
Why are you so far away? she said
Why wont you ever know that Im in love with you
Oh Im in love with you

You
Soft and only
You
Lost and lonely
You
Strange as angels
Dancing in the deepest oceans
Twisting in the water
Youre just like a dream

Daylight licked me into shape
I must have been asleep for days
And moving lips to breathe her name
I opened up my eyes
And found myself alone alone
Alone above a raging sea
That stole the only girl I loved
And drowned her deep inside of me

You
Soft and only
You
Lost and lonely
You
Just like heaven
