

# Gavin DeGraw, Against All Odds

How can I just let you walk away  
Just let you leave without a trace  
When I stand here taking every breath with you, oooh  
You're the only one who really knew me at all  
How can you just walk away from me  
When all I can do is watch you leave  
Cause we share the laughter and the pain, we even shared the tears  
You're the only one who really knew me at all

So take a look at me now, there's just an empty space  
And there's nothing left here to remind me  
Just the memory of your face  
Take a look at me now, there's just an empty space  
And you coming back to me is against the odds  
And that's what I've got to face

I wish I could just make you turn around, turn around and see me cry  
There's so much I need to say to you, so many reasons why  
You're the only one who really knew me at all

So take a look at me now, there's just an empty space  
And there's nothing left here to remind me
