

# Gavin Friday & The Man Seezer, I Want To Live

When I look into your sad blue eyes, they whisper,  
Love's been and gone...  
It's the end of the line, we're wasting our time  
I kiss you goodbye, now I can't believe I ever said that  
I would die for you, your eyes do more than kill...  
I want to live.

All's forgiven, so all's forgotten, I'm empty inside,  
What I'm trying to say since you went away, I live a lie.  
I drink all day I'm never sober just to ease the pain,  
These lies do more than kill...

I want to live... I want to live...

Like a ghost in my head you keep haunting me  
Every promise we made, every word you said  
I can't live without you!  
Baby baby, when lovin' we were hiding  
When lying we were brave.  
Baby baby, I can't live without you  
All I need is you.  
I want to live.
