

Gavin Friday & The Man Seezer, Shag Tobacco

I have ordinary addictions
I've outgrown the ways of the street and the nightshade
Hey! goodnight ladies... ladies bye bye.
I work odd hours, get home late most nights
She's upstairs, I'm downstairs,
Drinking coffee in the kitchen
Spoon in the sugar, knife in the butter... I want you.

Do you love me? say you do, I'd like to see you undress
Let the light shimmer down, I've ordinary addictions
Whisper soft into my ear, secret words heaven sent
So you can read my mind

Hush dear....the night is always young
There's no day here, tomorrow never comes
Let colours fly, we're safe from harm
See orange glow, let our love flow

No romeo no juliet,
What we got is deeper than that
Lets stay in bed, watch t.v. and shag tobacco
I want you, I want you....
You're my amphetamine you're my lover....
And there's no other....there's no other.... there's no other
