

# Gavin Thorpe, Out Of Place(Gavin Thorpe)

You'll be coming home soon  
I know you're out of place  
You knock on my door soon?  
I just need to see your face

Ohhh, my heart is like a speeding train  
Ohhh, my love, and I can feel your pain  
All night long, yeah I prayed for you  
Because I miss you  
I am out of place, I am out of place

You'll be coming around soon  
It's just not been the same  
Is there something I can do for you  
Have you got a soul to save?

Ohhh, my heart is like a speeding train  
Ohhh, my love, I can feel your pain  
All night long, yeah I prayed for you  
Because I miss you  
I am out of place, I am out of place

Ohhh, my heart is like a speeding train  
Ohhh, my love, and I can feel your pain  
All night long, yeah I prayed for you  
Because I miss you  
I am out of place, I am out of place

Ohhh, Because I miss you  
I am out of place  
Ohhh, Because I miss you  
I am out of place, I am out of place

You'll be coming home soon
