

Gay Dad, My Son Mystic

Jacob is a car mechanic
living life at home is funny
he knows a girl but he never got married
some say he's a cause for concern
shaky Jakey's always dancing
kids all call him up when they want some fun
10 stone but he's getting lighter
pretty soon he's gonna disappear
can you tell me about my life
just the basic detail
we can talk all night
a one way conversation
my friend Lucy doesn't like boys
when she wears her cut down T shirt
it's like she's saying 'no don't ask me'
it's a funny thing but no one ever does
can you tell me about my life
just the basic detail
we can talk all night
one way conversation
it's getting easier
now I know where I'm coming from
it's a heavy feeling
you gotta know
what you're in for
before you go
so can you tell me about my life
just the basic detail
we can talk all night
one way conversation
can you tell me about my life
I bet you're someone special
we can talk all night
I think I really need to
