

GAYLE, indieedgycool

i think im original and everybody's copying me
i've been wearing chokers and i'm not even born in the 90's
i love tame impala
i don't know what that means
all of my friends
trip if you know what i mean
i think i'm original and everybody's copying me

everybody loves a girl who does what she wants

i'm too cool for the radio
got vintage kicks i'mma let you know
got champagne bottles in the bathtub
that my best friend stole from the yacht club
parents got money but they ain't rich
i got gucci but i prefer to thrift
i'm honest you know how it is
i'm an indie edgy cool kid

lalalalalala
lalalalalala
lalalalalala
indie edgy cool kid

i don't do (laugh) yeah i like to eat
i could save the world with recycling
i'm a lonely girl
but i'm sociable
call me emo
i'm emotional
showing up late to the party
the ones who never play top 40
i don't know the words but i hum along
like you should know this is my favorite song

cause everybody loves a girl who does what she wants

i'm too cool for the radio
got vintage kicks i'mma let you know
got champagne bottles in the bathtub
that my best friend stole from the yacht club
parents got money but they ain't rich
i got gucci but i prefer to thrift
i'm honest you know how it is
i'm an indie edgy cool kid
