

GAYLE, kiddie pool

i got my leave you
before you leave me
type of mentality

so for your
every excuse
you know i got two more

hate being needy
need you to need me

want you
to want me
without me telling you to
but what can you do

i'll throw it all away
if you ask me to
all you gotta say
is you'll do it too
deep down all i want is you

don't want a kiddie pools
i'mma fool
i want oceans
on my tippy toes
hold your nose
pop your floaties
call it what you want
but Imma call it love

don't want a kiddie pools
i'mma fool
i want oceans
on my tippy toes
hold your nose
pop your floaties
call it what you want
but imma call it love

don't mean to be a hypocrite
but you should make your choice quick
cause getting you to commit
is like chasing wind
oh I'm a tired and out of breath
good thing i'm persistent

i'll throw it all away
if you ask me to
all you gotta say
is you'll do it too
deep down all i want is you

don't want a kiddie pools
i'mma fool
i want oceans
on my tippy toes
hold your nose
pop your floaties
call it what you want
but Imma call it love

don't want a kiddie pools
i'mma fool

i want oceans
on my tippy toes
hold your nose
pop your floaties
call it what you want
but Imma call it love

oh
oh
oh
oh
oh
oh
