

# Gaza Strippers, Missile Command

Third leg straight to the brain

?  
?

Lock and load, ?, count it down

Take me on a one-track ride

Missile command

Missile command

? snake wrapped around my leg

?  
?

Maybe I should cut it all

Missile command

Missile command

Blast off!

Come on and flip the switch, yeah.

Missile command

Push the button, take a hit, yeah.

Missile command

In the red, in the ditch, yeah.

Missile command
