

Gedion Clown, Odd Family

Hello mommy. Hi daddy.
Hi daughter. Hey son.
That was the wrong time
I would never have learned
Yes, I think it was too early
To our problem have begun
Now I think it's too late
For me to find the sun

You mom you might
Be completely blind
For me, daddy, you were
Supposed to be nice
Listen to me, my son
You've never liked what I am
I doused your flames
Oh, daughter, am I damned?
