

Gehenna, The Chariots That Carried Her to the G

[Music and lyrics by Sanrabb]

O' Sarah can you hear me?
When they killed you did you cry (black tears)?
When your heart stopped, were you led to Hell's fire?

Forever it seemed, for every dream I dreamed

When they carried you off the birds flew away can you tell me why?
All the love I lost has turned to hate

Eternally I'll wait for the day your executioner falls to his death

O' Sarah what did they do?
Did they not know that I was in love with you?
Now my darkest hour has come
My evil work will now be done

[chorus]

O' Sarah do you have to leave?
Sarah please can't you stay?
Sarah thou art a witch or so they all say
(please stay)

Legions of demons will avenge your death
So be it if it cost me my last breath
