

Geia Mesiah, Ocean

Welcome to the ocean
Welcome to the Earth
Welcome to the new time
Welcome to your life
Welcome to the Universe
Its your life
So Welcome, yeah Welcome
See my eyes
See my body and my soul
Come inside of me
Tell me what you see
You got a fire
FIRE
Burn Burn Burn
Inspire my longing
Get my desire
For the ocean
Set me on fire
Come inside of me
Tell me what you see
See my eyes
See my body and my soul
Fuck the norm
Fuck the government
You got a fire
FIRE
See fire
Burn Burn Burn
