

# Gene Clark, In The Pines

Black girl black girl tell me where  
Tell me where did you sleep last night  
In the pines in the pines  
Where the sun never shines  
And you shiver when the cold wind blows  
Now little girl little girl what have I done  
That made you treat me so

You cause me to weep you cause me to moan  
You cause me to leave my home  
In the pines in the pines  
Where the sun never shines  
And you shiver when the cold wind blows

SOLO

The longest train I ever saw  
Went down that Georgia line  
Saw the engine past at six o'clock  
And the cab went bye and bye  
In the pines in the pines  
Where the sun never shines  
And you shiver when the cold wind blows
