Gene Clark, Some Misunderstanding

There's been some misunderstanding And I'd like to make it right Both of us need inspiration And the timing must be right We all have souls yet nobody knows Just how much it takes to fly But I see my life before me and I'd like to make a Maybe someone knows what fate is Maybe someone knows just why All I know it's all related Maybe someone can explain time But I know if you sell your soul To brighten your role you might be disappointed In the lights We all need a fix At a time like this But doesn't it it feel good to stay alive

SOLO

Now I see that in my visions
That my eyes are seeing twice
Once for every expectation and once for what I realize
But I know if you sell your soul
To brighten your role you might be disappointed
In the lights we all need a fix
At a time like this
But doesn't it it feel good to stay alive
