

# Gene Clark, The Radio Song

Fifteen miles from Memphis I think that was the sign  
I&#039;ll be drivin&#039; through tomorrow just to lose a worried mind  
If I reach Colorado I won&#039;t look back where I&#039;ve been  
It seems so long since I have seen her where will I begin  
Night before last walkin&#039;, pacin&#039; four rooms worth of floor  
It isn&#039;t long since she&#039;s been gone but now I need her more  
A wise man wrote what isn&#039;t there is what you want to find  
So now I&#039;ll have to find her so that I won&#039;t lose my mind  
I&#039;ve listened to the radio all the music that is on  
But every song they&#039;re playin&#039; is about a love that&#039;s gone  
A hundred thousand miles it seems since yesterday  
It hasn&#039;t been that long but they just lay&#039;s it on that way
