

# Gene Pitney, It Hurts To Be In Love

It hurts to be in love, when the only one you love  
turns out to be someone who's not in love with you.  
It hurts to love her so  
when deep down inside you know,  
she will never want you, no matter what you do.

and so you cry a little bit (hurts to be in love)  
oh you die a little bit (hurts to be in love)  
Day and night, night and day  
it hurts to be in love this way.

how long can I exist?  
wanting lips I've never kissed  
she gives all her kisses, to somebody else.  
She thinks I'm just a friend  
though it hurts, I must pretend  
the only way to keep her, is to keep it to myself.

And so I cry a little bit (hurts to be in love)  
Oh I die a little bit (hurts to be in love)  
Day and night, night and day  
it hurts to be in love this way.

And so I cry a little bit (hurts to be in love)  
Oh I die a little bit (hurts to be in love)  
Day and night, night and day  
it hurts to be in love this way.

It hurts to be in love, day and night, night and day  
it hurts to be in love. night and day, day and night  
it hurts to be in love, day and night, night and day.....
