

Gene Pitney, Mission Bell

(Say that you love me
Say those pretty words
And I will give my love to you)

My love is higher than a mission bell
(How deep?)
Deeper than a wishing well
(How strong?)
Stronger than a magic spell
My Love for you is

Wider than the widest sea
(How long?)
Longer than a memory
(How sweet?)
Sweeter than a honey tree
My love for you ohho my love for you

Give me your heart of gold
Your heavenly magic touch
To cherish have and hold
I need your love so much

---(Musical Interlude)---

(Say that you love me
Say those pretty words
And I will give my love to you)

My love is warmer than day in spring
(How bright?)
Brighter than a diamond ring
(How great?)
Greater than a mighty Thing
My love for you

Is taller than the tallest tree
(How soft?)
Softer than the summer breeze
Oh I ask you please to give
Your love, your love, sweet love to me

(How deep?)
Deeper than a wishing well
(How strong?)
Stronger than a magic spell
(How great?)
Greater than a mighty Thing

(fading)
(How deep?)
Deeper than a wishing well...
